All puzzle pieces will be displayed during Patient and Family Centred Care Week in the cafeteria. All patients, families/caregivers/staff/physicians and volunteers will be given the opportunity to vote for their favorite during the week.

A judging panel will judge the puzzle piece submissions on Thursday, November 7th. The entries will be judged based on conceptualization, connection to “The Human Connection” theme, appearance, originality, and team involvement. The winner will be selected based on 50% voters favorite and 50% judging panel selection.

The winner will be announced at the PFCC Week celebration event on **Friday, November 8th** from 12-1pm in the Amphitheatre (Presentations at 12:15). Everyone is welcome to attend. **Please send at least one representative from your team to this event for the award presentation.**

The winning team will receive the Human Connection Team Challenge trophy and a gift card to buy some “treats” for the team.
